SECTION 2. Section 2 of Municipal Ordinance No. 12 Series 2005 is hereby amended to be read into:

“Section 2. The use, management and disposition of the Per Family Payment Rate shall be governed by the following rules:

1. The PFPR amount shall be released on a quarterly basis by the Corporation under the following rules:

1.1 The release of the PFPR amount shall be subject to accreditation of the municipal-owned and managed Rural Health Unit and the payment of contribution by the sponsoring agency and the qualified groups.

1.2 The release of quarterly PFPR shall be subject to the submission of required Monitoring and evaluation reports, research and program development as provided under the Implementing Guidelines of the Primary Care benefit 1 and prior payment premiums.

2. The disposition of the PFPR shall be governed by the following rules:

2.1 The disbursement and liquidation of the PFPR shall be in accordance with pertinent government accounting and auditing rules and regulations;

2.2 A separate book of accounts shall be maintained by the Local Government Unit.

2.3 Eighty percent (80%) of the PFPR is for operational cost and shall be divided as follows:

2.3.1 Minimum of forty percent (40%) for drugs and medicines listed in the Philippine National Drug Formulary (to be dispensed at the facility) including drugs and medicines needed for Asthma, Acute Gastroenteritis and Pneumonia; and

2.3.2 Maximum of forty percent (40%) for laboratory reagents, medical supplies, equipments (ie., ambulance, ambubag, stretcher, etc) information technology (IT equipments specific for facility use needed to facilitate reporting and database buildup), capacity building for staff, infrastructure or any other use related and necessary for the delivery of required service including referral fees or diagnostic services if not available in the facility.

2.3.3 The remaining twenty percent(20%) shall be exclusively utilized as honoraria of the staff of the PCB1 facility and for the improvement of their capabilities as would enable them to provide better health services:

a. Ten percent (10%) for the physician;

b. Five percent (5%) for other health professional staff of the facility; and

c. Five percent (5%) for non-health professional staff, including volunteers.”
